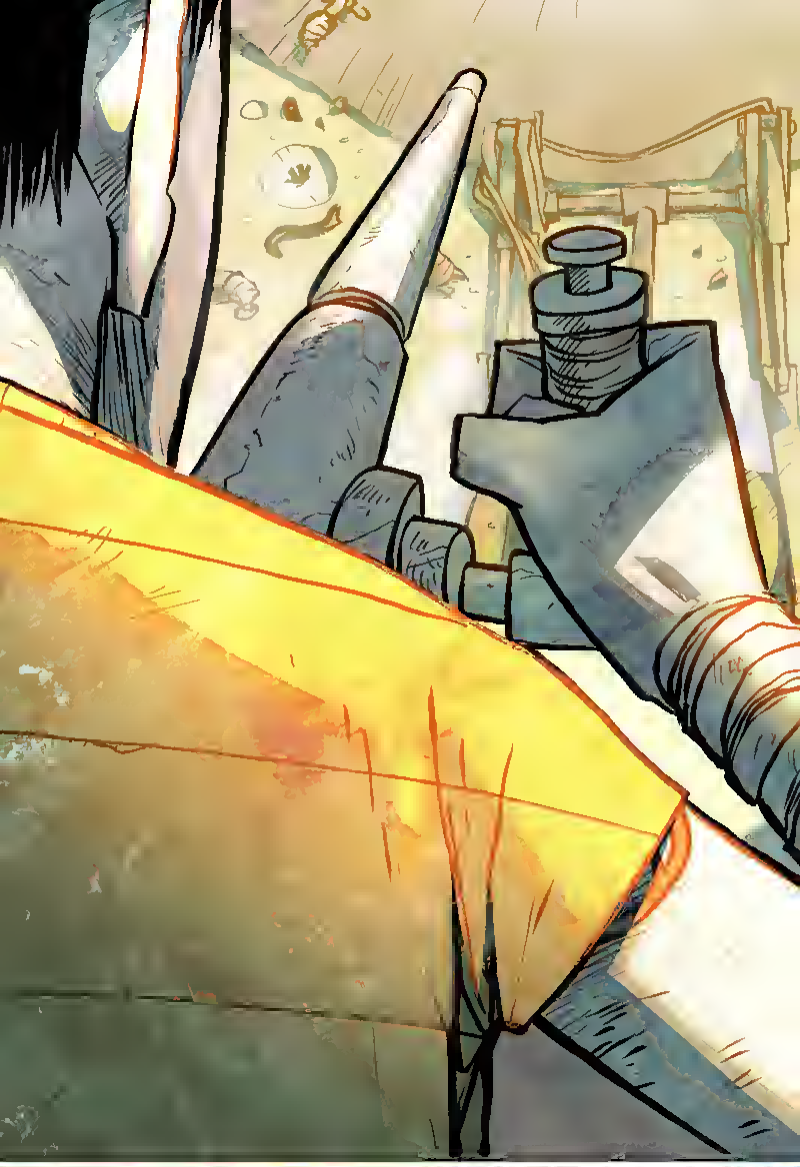
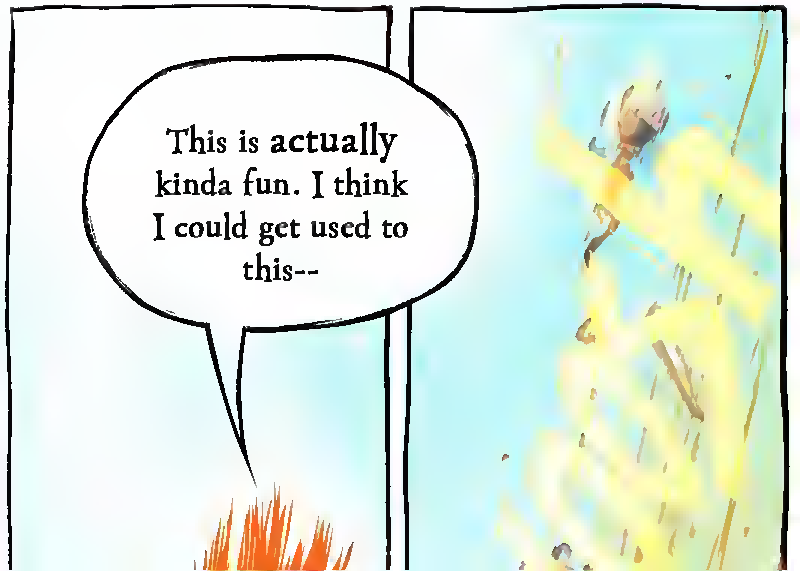
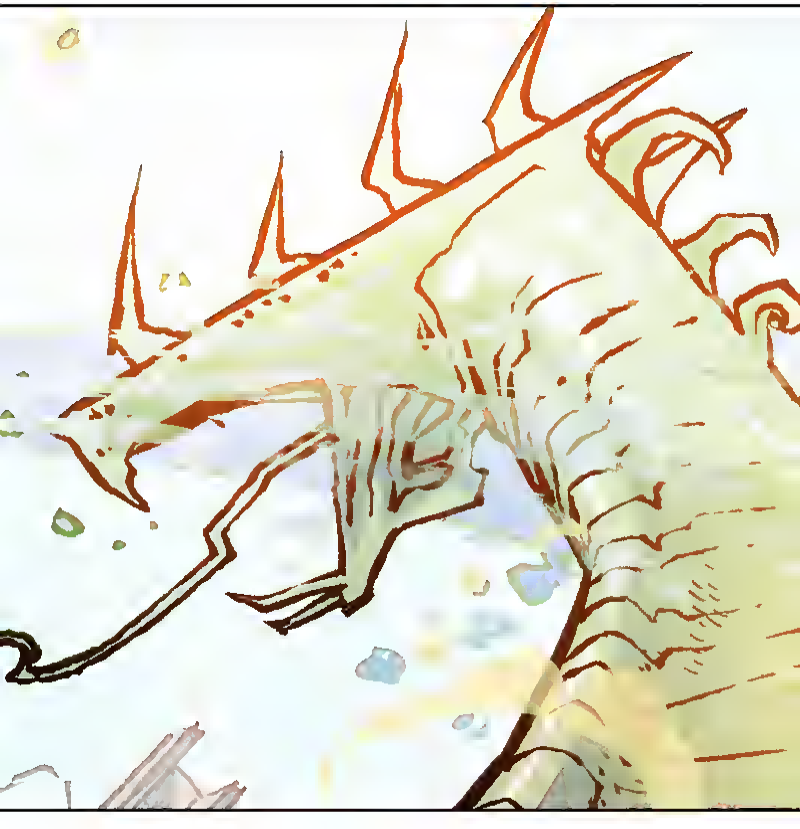
Look at all of them!

You're right! It's working!





This is actually kinda fun. I think I could get used to this--



That thing's huge!

Don't just stand there with your mouth open --
"BLAST IT!!!"

"Yipe!"
SNAP
"Spray it spray it SPRAY IT!"

Here goes
NOTHIN!

Keep spraying.
I got this one!

Never seen one this size so close to shore.

The sands been acting funny these days.

A sword? You have a sword?

It's just a knife kid.

I thought you didn't want to kill any of them?

I said I'm crazy.
Not STUPID.
